I have several graduate degrees and have been a pastor, a teacher, a principal and a president in the past.

I was inspired by a high school teacher and college professor who enjoyed their vocation. To them, it was more than a job.

**What or who inspired you to choose teaching (education) as your profession?**

My mother, Sally Kelly, was a huge inspiration for me. She taught at St. Joseph's in Downingtown and then spent 25 years in the English department at Malvern Prep.

**What has been your favorite moment at St. Norbert's so far?**

I have so many. Sadly, my favorite moment was right after I shared my breast cancer diagnosis with the SNS families. The prayers, love and goodness they bestowed on me was overwhelming. I will never forget it!

**Who is/are your hero(s)?**

As a history teacher, I should respond with a historical figure, but my hero is my grandmother, Sally Mulholland. She was a strong matriarch who kept my family together. Every Sunday night, you would take the trip up to Northeast Philly to have family dinner at Nanny and Bebob's, no excuses!!

**What other career may you have chosen if you didn't become a teacher?**

A nurse—I would have been in the service industry.
