

Mrs. Kristina Harlan – 5th Grade/Math *(Celebrating seven years)*

What is your professional background? I have a BA degree in Early Childhood Education and Elementary Education from Millersville University. Prior to joining St. Norbert School, I taught at St. Teresa of Avila, for the CCIU, and also taught as a substitute. I have 11 years of teaching experience, with six of those years at St. Norbert's.

What or who inspired you to choose teaching (education) as your profession? My love of children drew me to teaching, as well as my interest in how children learn. Each child is so unique and like a puzzle piece!

What is your favorite St. Norbert's tradition or annual event? I love our May Procession. It is such a wonderful celebration of Mary, our Blessed Mother.

What has been your favorite moment at St. Norbert's so far? My favorite moment is when I was awarded the yearbook dedication from my first class at St. Norbert School (the Class of 2016). I realized then that I had made a positive impact on some amazing kids and that means the world to me.

What is your favorite thing about St. Norbert's? I truly enjoy all the friends I have made with both teachers and parents at St. Norbert's. The students brighten my every day – they are so special!
