

Mrs. Brooke Keith – Physical Education *(Celebrating two years)*

Though this is just Mrs. Keith's first year as our PE instructor, she has been a parent for the past five years and very involved in our school community. Learn more about why she loves her job here at St. Norbert's.

What is your professional background – degrees and other teaching experience before SNS?

I graduated from Ursinus College in 1996 with a B.S. in Exercise and Sports Science, with a minor in teaching. I taught physical education and health to grades 6 through 12 for four years at the Academy of Notre Dame. I am currently in my fifth year of coaching high school basketball at the Academy of Notre Dame.

What has been your favorite moment at St. Norbert's so far? My favorite moment so far has been the first time I met each class. I loved seeing the students' enthusiasm for being back at school.

What is your favorite thing about Saint Norbert's? I love the sense of community at St. Norbert's – from the faculty and staff right down to the student body. I feel so accepted here.

Who is your hero? My hero is my niece Harper, who has juvenile diabetes. Seeing what she goes through day in and day out – she is so courageous and brave.

What other career might you have chosen if you didn't become a teacher? If I wasn't a teacher, I would love to coach collegiate women's basketball at any level.
