

**Megan K. Klunk – 6<sup>th</sup> Grade/Social Studies** *(Celebrating seven years)*

**What is your professional background—degrees/other teaching experience before SNS?**

*B.A, Elementary Education. Master's in Secondary Counseling*

I taught sixth grade for 10 years at South Brandywine Middle School and spent one year as a seventh grade counselor.

**What or who inspired you to choose teaching (education) as your profession?**

My mother, Sally Kelly, was a huge inspiration for me. She taught at St. Joseph's in Downingtown and then spent 25 years in the English department at Malvern Prep.

**What has been your favorite moment at St. Norbert's so far?**

I have so many. Sadly, my favorite moment was right after I shared my breast cancer diagnosis with the SNS families. The prayers, love and goodness they bestowed on me was overwhelming. I will never forget it!

**Who is/are your hero(s)?**

As a history teacher, I should respond with a historical figure, but my hero is my grandmother, Sally Mulholland. She was a strong matriarch who kept my family together. Every Sunday night, you would take the trip up to Northeast Philly to have family dinner at Nanny and Bebob's, no excuses!!

**What other career may you have chosen if you didn't become a teacher?**

A nurse—I would have been in the service industry.
