

## Mrs. Kathi Palma – Art Teacher (Celebrating ten years)

What is your professional background? I have a Bachelor of Fine Arts degree in Design from Moore College of Art and Design and earned my teaching certificate from Immaculata University. I have been teaching Art at Saint Norbert School for 9 years, with 24 years of teaching experience in multiple grades from 1st – 12th.

Who inspired you to choose teaching (education) as your profession? Teaching was not my first career. I decided to pursue a career in education to give back to all the teachers who I cherished throughout my tenure in school. I wanted to be able to make a difference in a child's life.

What aspect of "Be Your Bulldog Best" most appeals to you? I love that "Being your Bulldog Best" sends a message of not just trying to do your best in school, but also trying to be your best "self". I think it helps the students to understand that each one of them is important and can make his or her own decisions. I am so happy when I see the children being rewarded for kindness, as teaching them to "do unto others as you would have done to yourself" is so important in today's world.

What is your favorite moment at Saint Norbert's so far? My favorite moment at Saint Norbert School to date was the day we were finally recognized as a National Blue Ribbon School of Excellence. I always knew we were "Blue Ribbon material", but now everyone knows!

What is your favorite thing about Saint Norbert's? My favorite thing about Saint Norbert's is the kindness and sense of caring that is inherent in our community. There is just a "feeling" when you walk in the door that lets you know the school is special. The friendships that I have made here, at Saint Norbert's have made my life happier.
