

Mr. Robert Weinrich – 5th/6th Grade ELA *(Celebrating four years)*

Everyone looks forward to ELA fun with Mr. Weinrich! Read on to learn more about him and why he loves teaching at St. Norbert's.

What is your professional background - degrees and other teaching experience before SNS?

Prior to SNS, where I've now been for three years, I worked in the Philadelphia radio market and in marketing. My first degree is in Communications and Media Arts from Neumann University. Wanting a change in careers, I found myself back in school to obtain my teaching degree from Immaculata University.

What or who inspired you to choose teaching as your profession?

Always listen to your mother! She always insisted that I should be a teacher. Little did I know, she was right, once again. Through coaching children in ice hockey and heeding my mother's advice, I found myself back in college to become a teacher.

What is your favorite thing about Saint Norbert's? It's more than a school. It's more than a community. We are a family.

What aspect of Be Your Bulldog Best most appeals to you? Be compassionate. In today's world that is routinely bombarded with negativity and a hectic schedule, we must remember we are to speak up for those who cannot speak for themselves ... defend the rights of the poor and needy. We must recognize the suffering of others, then take action to help.

What do you like to do in your free time? In my free time, you can find me at the ice rink playing hockey, racing dirt bikes, snowboarding or kayaking.
