2024-2025 School Year

REQUEST FOR TRANSPORTATION UNDER ACT 372

Dear Parent:

According to Pennsylvania Law, nonpublic school children are entitled to transportation to nonpublic school as follows:

A district which provides transportation for resident public school students must also make identical provisions for the transportation of resident nonpublic school students according to the nonpublic school calendar.

Transportation for nonpublic school students must be provided to and from the nonpublic school in which the student is enrolled, even if the nonpublic school is located outside the district so long as the distance is not more than 10 miles beyond the district boundaries.

A district may transport children who live along hazardous routes even though the children live with walking distance of the school.

If you think you are eligible for transportation and desire it for next term, please complete the request form below and return it to the non-public school or send it to our transportation office at the address or fax number listed above.

Non-Public School Act 372

Radnor Township School District will comply with the provisions of Act 372 of 1972, that established the requirements for the public-school systems to transport non-public school students. Parents of resident non-public school students who require transportation services will submit an Act 372 form to the Transportation Department annually. Non-public school transportation will be provided only to state certified, non-profit, private schools that provide evidence of such certification to the district. Non-public students residing outside the district are not permitted to ride district operated buses.

We will require one form for each child requiring transportation. Your child WILL NOT be scheduled for transportation if a completed form is not submitted to the Radnor Township School District Transportation Department. Forms must be submitted no later than August 1st of every school year in order to receive busing the first week of school. If your busing needs change or your address information changes, please fill out another form and submit it to us ASAP.

Radnor Township School District
