

DRESS CODE

When purchasing clothing items for the school year, please be advised that no exceptions to any part of the dress code will be acceptable. Students are to be in uniform on the first day of school. Students are expected to remain in complete school uniform at all times while in the school building, on school property, in the school yard, dismissing buses, etc. Parents are to send in a note of explanation if for some reason a student must be out of uniform. Students will receive a Behavioral Notification Form (BNF) for any dress code violations.

On gym days the students wear their gym uniforms to school. Kindergarten and PreK students are required to wear the gym uniform every day to school with sneakers.

Uniform sweatshirts are permitted on gym day. On other days, a uniform sweater may be worn if the student is cold; sweatshirts will not be permitted. Parents will be notified in writing when a student does not meet the following requirements. 8th Graders may wear their high school sweatshirt of choice starting in January on the day decided by the 8th graders and their teacher.

All apparel items described here are to be consistent with attire supplied by our uniform vendor, Flynn & O'Hara Uniforms and Flocco's Shoes. St. Norbert School honors the non-compete contract agreement, in consideration of the vendor's commitment to carry adequate stock to meet the needs of our school's families.
